The Samoyed Club of Austin will do it's best to see that dogs are surgically altered BEFORE they enter a foster home environment to help prevent further overpopulation of our breed. With this understanding, do you have a preference as to the sex of your foster dog?

Male: _____ Female: _____ No preference: _____

It is crucial that our foster dogs be made available to the general public so that they have every opportunity to be adopted. By signing this agreement, you agree to make the rescue dog available to prospective adopters.
